**President Taft has Said:**

THE YOUNG MEN'S CHRISTIAN ASSOCIATION

has come to be recognized as a powerful and necessary factor, both in business and in governmental matters. A great Christian Association Club, established in an adequate building, will keep men from drinking, gambling and other forms of vice, by offering them an opportunity to spend their unoccupied hours in a home atmosphere, surrounded by the best influences.

**Gov. HUGHES, of New York:**

THE YOUNG MEN'S CHRISTIAN ASSOCIATION

constitutes in my judgment, one of the most important factors for the maintenance of proper standards of life and exerts a powerful influence upon the young men of this country. It is wholesome; its management, as I have observed it, has been broad-minded and in the best sense patriotic.
